

## Red Cross Bloodmobile at Legion Sept. 8th

Blood is in short supply! So, there will be another Blood Bank at the American Legion Hall in Grayling from noon until 6 p.m. next Wednesday, Sept. 8th.

July and August are always low months for the Blood Bank. Many folks are away on vacation, the auto plants and related businesses are down for model changeover. But, by next Wednesday, the young people will be back in school, Labor Day will have come and gone, so we have to get back to the serious business of living again.

You Good Neighbors of Crawford County have always responded most generously, and Red Cross is counting on your coming again to give a pint of your precious life saving blood.

Remember, everyone in good health from 18 to 65 years of age can give. Seventeeners can give with their parents' written consent, and over 65 with their Doctor's approval. Minimum weight for donors is 110 pounds.

If you have never given before, join the select "Donors". Do something only you can: Give a pint of YOUR blood and help save SOMEONE'S life!

If you are apprehensive, because you have never given blood, ask your friends who have. They will tell you truthfully there is really nothing much to it, and the after feeling of having shared your life giving blood with another human being is very rewarding.

Don't Forget! The date, Wednesday, September 8th: The time, Noon until 6 p.m.; The place, the American Legion Hall, in Grayling.

## Grayling Woman Severely Beaten

An elderly Grayling woman was severely beaten in her apartment early Saturday morning, August 28th.

Mrs. Leona Papendick, 75, was attacked at about 2 a.m. Saturday, and was found by another tenant about 9:30 in the morning when he inquired if she was alright after hearing her call.

She was taken to Mercy Hospital for emergency treatment, and then transferred to Munson Hospital in Traverse City where she is being treated by specialists.

Mrs. Papendick, who is the widow of John A. Papendick who served as Crawford County Sheriff for 16 years, was severely beaten around the head and throat, with her nose being crushed and her pallet broken, among other injuries, was to undergo surgery the latter part of this week.

A motive for this diabolical act is still being sought by the Grayling City Police who are handling the investigation.

## Chamber of Commerce Begins Annual Membership Drive

The annual Grayling Regional Chamber of Commerce membership drive will take place during the month of September. This year a new membership plaque is being made and it will feature the new membership logo depicted above. The 7" square vinyl decal will be printed on a yellow background in green ink. It is hoped that these window and door decals will make the general public more aware of the Grayling Chamber of Commerce and who its members are (over 2/3 of the county's businesses belong to the chamber). Over 180 businesses and professionals are devoting time and money to make our community a better place to live, work and play. Not because they have to, but because as businessmen and concerned citizens of the community, they recognize the obligations of business citizenship that challenges every man and institution to subscribe actively to the advancement of the community of which he is a part.

The Grayling Regional Chamber of Commerce sponsors a wide variety of programs and services including:

Free Enterprise Film Services (High School), AuSable River Marathon Canoe Race, Color Tour Promotion, Legislative Action Board, Winter Sports Festival, Business Education Day (High School), Christmas Promotion, Annual Membership Dinner, Visitor's Guide (32 pages), Industrial Development Information, New Resident Brochure, Milltown Festival, Liaison work with State - Federal - Local Government - National Guard, Complete Travelers Information, City - County and State Maps, Peak Period Accommodations Assistance, Tourism Promotion (news releases, ads, etc.), Weather Information, Solicitation Inquiries, Consumer Complaint Referrals, Marketing/Advertising Consultant Service.

Businesses not members who would like to join may call the Chamber office at 348-3336 or Membership Chairman, Bill Millard, at 348-9921 for details.

Michael C. Steele, Executive Mgr.

## HAVE A SAFE — SANE LABOR DAY WEEKEND

**GOLF STAG DAY WINNERS**—A team of Grayling golfers captured the low gross trophy at last week's Kiwanis Stag Day held at the Grayling Country Club, with a combined score of 163. Shown above, from left, are Bruce Smith (44), Tom St. Germain (40), Ken Gothro (43) and Dr. Robert Schwarz who tallied a 36. The good doctor also took the individual low gross award with his par 36.

The Roscommon team of Bob Jansen, A.J. LaMorre, Bob Brown and Jim Rutledge took the team low net calloway score of 132. Bob Jansen also took individual low net honors with a calloway 28.

Sources at the scene of the victory stated that the Grayling team gained their triumph by tipping the greens to their advantage with a combined weight of a near 1/2 a ton.

## "Lots of Record"

(By B.J. Fowler, Grayling Twp. Supervisor)

In the August issue of the Michigan Township News, Professor Robert Hotelling of M.S.U., Staff Consultant, Michigan Townships Association wrote on the subject of zoning and "Lots of Record". This subject generates many questions which reach my office so I will pass along some of his comments on the subject.

"Lots of Record" are those real estate parcels existing as legally separate pieces of property at the time of the effective date of (1) an adopted zoning ordinance or (2) any subsequent amendment to a zoning ordinance.

They are legal pieces of property, and are protected from possible confiscation by nonconformance to an adopted zoning ordinance by section 16 of "The Township Zoning Act", which is quoted as follows:

125.286 Existing Buildings, Dwellings and Land Uses. Section 16. The lawful use of any dwelling, building or structure and of any land or premise as existing and lawful at the time of enactment of a zoning ordinance, or, in the case of an amendment of an ordinance, then at the time of such amendment, may be continued although such use does not conform with the provisions of such ordinance or amendment. ## Grayling to Stephan's - Clean

Grayling Youth Services has completed cleaning from Grayling to Stephan's Bridge. Undoubtedly, the most littered area because of all the traffic, we removed fifty-eight, 55 gallon bags of trash.

The next area from Stephan's to Wakeley's should be cleaned in a relatively short period of time as it has been cleaned previously by Rick Townsend and the Grayling Band. So in all likelihood we will begin the Wakeley's Bridge to McMaster's Bridge area on Wednesday this week.

## DAV Service Office Here

The Disabled American Veterans will open their service office in the County Building in Grayling on September 7th, to give service to all veterans, their families, widows and children, such as help in schooling, filing of claims or what ever service can be rendered. Office hours will be announced at a later date.

There will be a public ceremony on Tuesday, September 7th, at 1:00 p.m., in front of the Crawford County Court Building.

Come and meet the service officer who will be serving your needs.

## Special Notice

An emergency has caused a change of date for the annual G.H.S. Alumni dinner. Please note: Date has been set for Saturday, October 16. Annual letters will be in the mail soon, with all particulars.

Tony Doremire, President

## Hearing Changed

The initial court hearing in the matter of the determination and maintenance of the normal height and level of the waters of Bradford Lake has been adjourned to October 4, 1976.

We will keep the public informed on our progress in the weeks ahead. Thank you once more for helping us with this project.

Robert Smock, Jr., Youth Services Director

## Expectant Parents Classes

Starting Wednesday, September 8, 7:30 p.m. at the Grayling Mercy Hospital, Dining Room of North Wing and will be held every Wednesday evening for six weeks and cover subjects relating to good prenatal care for mother, childbirth, and care of the newborn baby.

Both mother and father are invited, and any other interested members of the family and community.

These classes are being offered by Mercy Hospital and Local Physicians in cooperation with the Roscommon and Crawford County Health Departments.

For further information call Roscommon-275-5015, or Crawford-348-4911.

## ATTENDS WORKSHOP

Mrs. Fred Niederer, Jr., attended the State Library Beginning Workshop at Camp Kett in Cadillac from August 15 to 20. Mrs. Niederer is employed at the Crawford County Library and has now received her public library certificate.

## Meeting on Municipal Bonding at Traverse City Sept. 3rd

LANSING — Local officials and residents from Isabella, Wexford, Mecosta, Clare, Oscoda, Lake, Mason, Manistee, Missaukee, Roscommon, Crawford, Kalkaska, Grand Traverse, Benzie and Leelanau counties are invited to a special meeting Friday, September 3, in Traverse City to discuss the problems of municipal bonding with the Senate Committee on Municipal Finance.

State Senator Patrick H. McCollough (D - Dearborn), the Committee Chairman, said the meeting will begin at 10 a.m. in the Park Place Hotel, Morency Room B, 300 E. State Street.

This is one of several fact-finding seminars on municipal bonding that the Committee is conducting throughout the state this summer. McCollough said.

"Municipal bonding is an increasingly complex and difficult area. We want to hear firsthand from county commissioners, municipal officers and township officials just exactly what difficulties they may be experiencing in attempting to secure financing for various projects through the sale of municipal bonds."

McCollough said the federal government is in the process of establishing guidelines for municipal bonding that could affect the states and local communities.

"Another factor that is significantly changing the status of municipal bonding is that more and more individuals, instead of only financial institutions, are beginning to purchase municipal bonds as a form of personal investment," he said.

"We want to make certain that [See Bonding on page 14]

## Recognition For 3 Local Residents

Sunday, September 5th is recognition day for three area residents. Alfred Hanson, Spike McNeven, and Tony Nelson will be honored on their day by the Grayling Booster Club for their long efforts and contributions to the community.

The festivities will be held at Auman's House of Catering, and will include refreshments, food and entertainment. Adult tickets will be \$5.00 and those from 12-17 may purchase tickets for \$2.00.

Tickets may be purchased at the following locations: Chief Shoppenag's Hotel, Grayling Mercantile, Mac's Drugs, Bill's Laundry, the Legion Bar, Au-Sagra Acres, and the Grayling Golf Club.

This range will be closed during the above dates and all persons are warned to stay out of this area.

**D&M Railway  
Fact Sheet**

Founded in 1878, the Detroit and Mackinac Railway Company has grown from a conglomerate of small logging railroads to an efficient, economical Class II shortline railway company serving the diversified business and industry of Northern Michigan.

The company doubled the amount of its trackage in the Northern Michigan area on April 1, 1976, through the purchase of 73 miles of track between Mackinaw City and Gaylord from the Penn Central Transportation Company and by leasing 105 miles of track connecting Gaylord and Bay City from the State of Michigan under the Rail Revitalization and Regulatory Reform Act. On August 3, the company began operating the Chief Wawatam car ferry for the state under the same program. The ferry carries train cars across the Straits of Mackinac between Mackinaw City and St. Ignace.

A fleet of nine D & M diesel locomotives and 922 freight cars carried a total of more than 155,385,000 ton miles of freight in 1975. The railway is expected to increase its ton mileage by 20 percent in 1976. Goods delivered by the D & M over more than 400 miles of track include: agricultural produce, auto parts, industrial machinery, lumber, paper products, cement, concrete blocks, gravel, limestone and gypsum.

More than 150 people, many of them representing second and third generation employee families at D & M, work on the various operations of the railway.

In addition to its freight service running between Cheboygan and Alpena, Bay City and Alpena, Cheboygan and Gaylord, and Grayling and Bay City, the D & M also provides charter passenger excursions to groups and organizations.

Heading the company is Charles A. Pinkerton, Jr. Other officers are: Charles A. Pinkerton, III, Richard Shaw, and Glenn Highfield. General Offices for the railway are located at Tawas City, Michigan.

GRAYLING, MICHIGAN — THURSDAY, SEPTEMBER 2, 1976

From Our  
Corner...

We planned this week to get back to our normal loveable self and extol on the wonderful city and surrounding area we live in ... following our irate column against our city cousins last week.

Our thoughts were premature — The gruesome acts we read about in the metro papers, became a reality in our fair city early Saturday morning when some brave person broke into a downtown apartment and severely beat up a 75 year old lady.

We have many thoughts on the reason WHY. For the present we will sit back and wait.

If this is a forerunner of what is to be in Grayling — the time is now for those concerned to take stock and ward off any future violent acts such as this one.

We have had a nauseous feeling ever since Saturday morning, and have only been able to think of what type of animal is in our midst.

## The Bible Speaks

From Calvary Baptist Church

Jehovah Our  
Righteousness

The Holy Spirit led Jeremiah to write of a future day when "Jehovah our Righteousness" shall rule the earth as a wise, just and righteous king. "Behold, the days come, saith Jehovah, that I will raise unto David a righteous Branch, and he shall reign as king and deal wisely, and shall execute justice and righteousness in the land. In his days Judah shall be saved, and Israel shall dwell safely; and this is his name whereby he shall be called: Jehovah our Righteousness." Jeremiah 23:5, 6 A.S.V.

The Lord Jesus Christ is repeatedly called the Son of David throughout the gospels. In Romans 1:3, 4 we read, "Concerning His Son Jesus Christ our Lord, which was made of the seed of David according to the flesh; And declared to be the Son of God with power, according to the spirit of holiness, by the resurrection from the dead."

The Lord Jesus Christ is also the righteous Branch of Jeremiah 23:5. He is identified as "the Root of David" in Revelation 5:5. He clearly identified His name with the Root and offspring of David in Revelation 22:16: "I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star." How can Jesus Christ be both the root and offspring of David? As eternal God He is responsible for the pro-creation of David. For His coming to earth He took to Himself a body in the womb of the virgin Mary. Mary was of the family of David. Therefore, Jesus Christ as God created David and as man was born of David. As perfect God-man He is "the Root and offspring of David."

The Lord Jesus Christ is also the coming world King who shall rule and reign for 1000 years in wisdom, justice and righteousness. Revelation 20:4-6. As the Lamb of God He is called Lord of Lords, and King of Kings in Revelation 17:14. In

Revelation 19 Jesus Christ at His second coming to earth shall be called "King of Kings, and Lord of Lords." And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS.

There are many people today like Israel of old who, "being ignorant of God's righteousness, and going about to establish their own righteousness, have not submitted themselves unto the righteousness of God. For Christ is the end of the law for righteousness to every one that believeth." Romans 10:3, 4 Yes, the Lord Jesus Christ "is made unto us wisdom, and righteousness, and sanctification, and redemption." I Corinthians 1:30 "For he (God) hath made him (Jesus Christ) to be sin for us, who knew no sin; that we might be made the righteousness of God in him." II Corinthians 5:21.

Are you trusting alone in the Lord Jesus Christ for salvation? Do you know Him as "Jehovah our Righteousness"? (adv.)

Pastor Barnett

## Golf Auxiliary

In the final week of regular play for the Wednesday Golf Auxiliary on August 25, Corrine Smith took low gross in Flight A with a 42; Marge Walker, low net, 32; Mary Pettengill and Pearl Tucker clipped in.

In Flight B low gross was won by Doris Harland, 59; low net, Carolyn Berg, 38; and low putts, Jean Dopp and Doris Harland, 18.

The luncheon committee for the day was Mary Pettengill, Mary Sidwell and Sis Kraus. They served a Chinese chicken salad and chocolate torte. With Sis and Mary on the lunch, what else, but chocolate?

The last day of Auxiliary play will be Sept. 1 starting with coffee and donuts at 8, scrambles at 9 and luncheon and awards shortly after noon.

## Flanigan-Tobin Wed in Colorado

On Saturday, August 14, at Nativity of Our Lord Catholic Church in Broomfield, Colorado, Maureen Flanigan became the bride of John Tobin. Both are formerly from Grayling.

Maureen is the daughter of Mr. and Mrs. Patrick Flanigan of Broomfield, Colorado and John is the son of Willard Tobin of Grayling and Eileen Greene, formerly of Grayling, now residing in Florida.

Susan Flanigan was the maid

of honor. Mrs. Molly Weideman and Mrs. Barbara Mascio were bridesmaids. They are all sisters of the bride.

Bill O'Mara of Grayling was best man. Ushers were Jack Mascio and Kevin Flanigan of Broomfield.

Following a weekend honeymoon at Estes Park, Colorado, the young couple drove to Orlando, Florida where John is a Corpsman for the U. S. Navy.

## Editor's Mailbox

Citizens of Crawford County—

As I sit here this quiet evening among the AuSable, thinking of Senate Bill 1506 and Michael Steele's article on Senators Kammer and Faust, I truly wonder how others before me would respond to all the controversy over the river today. It matters little now perhaps, but some of the spirit of those days gone by must surely be in my blood as I ask myself, who am I to be part of watching the AuSable die a slow, continuous death from too much use — period.

Senate Bill 1506 is not necessarily an infringement on personal liberties but rather personal profits.

In regards to Mr. Steele's analogy, comparing the regulation of highways to rivers. Highways don't have life — rivers do! You can't rebuild a river, you have to save it almost as you would any wild, living thing.

I am not attacking Michael Steele's article, nor am I in total support of Bill 1506. I agree with each, in that regulation is necessary. However, I feel it is necessary by next Spring at the latest. I am tired of words — let's see some action.

After removing over fifty, 55 gallon bags of trash from Ray's Canoe Livery to Stephan's Bridge, the kids and I are at a real gut level with the AuSable. It's becoming fragile in areas and it's slowing down. At some points there is a scum-like substance, that seems to indicate the river is having difficulty in cleaning itself. And the most disgusting part of all — areas previously cleaned, are becoming partially littered all over again. Yet, here we sit, waiting for someone to put the "right" legislation together as we continue racking in the easy river bucks from the idiots that continue to litter, destroy and otherwise abuse what once was and still could be a truly magnificent river.

I hate to just complain. In doing so that makes me part of the problem. So in all fairness, I do have some suggestions that could be part of the solution.

1. Regulate the AuSable. Have a quota from Grayling to Stephan's. When that number is met, begin filling a similar quota from Stephan's to Wakeley's. When that predetermined number is met, then remaining canoeists could use the Wakeley's to McMaster's area. This way all canoes could still be rented.

2. Raise the littering fine to \$500.00, plus upon conviction, the guilty party or parties be ordered to clean a 1 mile stretch along the AuSable.

3. Ban ALL throw-away cans and bottles from canoes.

4. Increase the Marine Patrol with Youth Conservation Corps. Provide a two week training course. An effective Marine Patrol would pay for itself.

5. Encourage property owners and concerned citizens to report those that litter to authorities. Sign a complaint, go to court if that's what it takes!!!

Regulation can come from us. It DOES NOT have to come from Lansing if we become involved with control of the rivers in our county. Why not take action now, instead of criticizing those that are doing what we should be.

Talk to the prosecutor, get records from the Marine Patrol, attend Canoe Association meetings, Property Owner meetings, find out what action the Board of Commissioners can take and watch for at least a half dozen legal petitions from me in regards to improving the present situation on the AuSable.

## Reagan star at Ford party

Richard Millman

The Republican National convention is over, but the memories that linger on in my mind are dominated by Ronald Reagan.

True, Gerald Ford and not Ronald Reagan came out on top in Kansas City; but the convention, it seems to me, belonged not to Ford but to Reagan.

Ford won the nomination but by less than 100 votes. For a sitting President to come that close to the sack is certain testimony for the challenger, and not necessarily for the champion.

Probably there were enough delegates whose hearts belonged to Reagan although their votes belonged to Ford to have turned the decision around, under other circumstances.

But Ford won; the history books say so. In victory, it appeared that Ford did just the right things. His acceptance speech was a fine one. His entire demeanor in victory — inviting Reagan to the platform, for example — carried just the right tone. And his family, Betty Ford and the kids, performed winningly, too.

Many Reagan partisans likely will carry their disappointment to extremes. Like many liberals in the Democratic party, many conservatives in the Republican party have long and controlling memories, and defeat goes down with great difficulty, if at all.

That Ford is conservative matters not to the hard losers; the fact is that Ford is not their conservative, Reagan is. The difference, although indistinguishable to many of us, could result in slackened partisan effort, and eventually a break-away to a third party.

Selection of Sen. Robert Dole as Ford's running mate came as a surprise to me. I confidently predicted to anyone who asked, and some who didn't, that Mr. Reagan would wind up on the Ford ticket as the ultimate in party unity and political healing — which kept my record in political prognostication up to snuff for the year.

Dole's selection underlines the theory that the aim in selecting a running mate is not to add strength, but to avoid drawbacks. Dole seems to fit that mold.

To the voting public, at this point, Dole would appear to come out to zero —

neither adding nor subtracting from Ford's appeal. As Ford explained in Kansas City:

"Bob Dole has been a team player. Bob Dole's philosophy and mine coincide almost identically. Bob Dole is a good campaigner. Bob Dole will help to heal any divisiveness within the party."

Obviously, President Ford feels comfortable with Dole. Personally, I'd feel a bit more comfortable if the President had cited Mr. Dole's qualifications to run the country as one of the reasons he picked him for vice president.

The convention role of a couple of political opposites was particularly intriguing.

Sen. Richard Schweiker, the ultra-liberal Republican, accepted the role as Mr. Reagan's running mate in a highly unusual political device hailed out by the Reagan forces; Sen. James Buckley, the ultra-conservative Republican, briefly flew his own presidential trial balloon in yet another political device hailed out by Reagan forces.

Both devices were doomed from the outset, and almost any objective viewer could easily see they wouldn't work. In addition, both senators may have harmed their own political fortunes back home by taking up the cudgels as they did.

But big-time politics has a strange and beguiling effect even on the seasoned.

The still small voice that whispers in the ear of the politicians "it just might be you" was calling clearly to both Sen. Schweiker and Sen. Buckley. Their responses illustrate perfectly the strangehold presidential politics can achieve upon the reason of intelligent men. Keeping that in mind helps to explain many otherwise unexplainable developments in the presidential arena.

So now they're off and running — Jimmy Carter and Walter Mondale for the Democrats, and Jerry Ford and Robert Dole for the Republicans.

As of now, I'd have to bet that Carter will win; and remember I haven't been wrong in predictions since I confidently forecast Ronald Reagan for vice president on Mr. Ford's ticket.

# I'd rather skip it

Jim Fitzgerald

Psychologist Dr Joyce Brothers has written a book called "Better Than Ever," about middle age.

As she approached age 50, Dr Brothers started skipping rope regularly. As a result, she said, her husband turned into a madly exciting lover.

Today, Dr Brothers is well known as the newspaper columnist with a paralyzed upper lip whose knees are riveted together for all appearances on TV talk shows.

But I can remember long ago when Dr Brothers first gained fame. It was in the 1950s, on a TV quiz show. She answered questions about prizefighting and won enough money to go to psychology school and buy a skip rope.

Dr Brothers drew a lot of attention because no one could understand how a dainty little blonde lady could know so much about the rugged sport of boxing. Later it was revealed that the quiz show was rigged and many of the contestants had been reading their answers off the quiz master's forehead.

There was an immediate suspicion that perhaps Dr Brothers had not got her numb lip in the fight ring. But the investigators never laid a glove on her and to this day her reputation remains as pure as her posture.

Which is why I don't hesitate to accept her advice. Everyone knows that prizefighters train by skipping rope. Now Dr Brothers has revealed it is good training for more than boxing.

Last week I mourned my 50th birthday. I wasn't going to say a word about it, partly to make a liar out of a fellow columnist who recently became 40. He said columnists love to reach such milestones so they can write the ultimate truths about cold peas and hot flashes.

This is not necessarily so. When I reached 40, I didn't write a word about it for fear the news might reflect badly on my column photo which then featured a crew haircut received at Fort Knox in 1944.

For a better reason, I was also determined to remain non-public about attaining Number 50. When I was born, my mother was 26 years older than I was. Today the gap has narrowed to about 10 and it is getting embarrassing for both of us.

But then I arrived home from work on my birthday to discover silence was futile. My oldest daughter had painted me a birthday card on a bedsheet and hung it from our carport. The "50" could be read from the next county. The photographer from the local weekly was taking a picture of the giant card, to publish opposite the obituary page.

Later there was a party at the home of Terrible Jean, my sister who is older than our mother. The birthday decorations featured Terrible Jean's drawing of a huge goat chewing on newsprint. The face on the goat was mine. The message, in block letters, was "Happy 50th, You Old Goat."

So it's no use, Mother. Your son is 50 and the whole world knows you're mooned in kindergarten. And I might as well deal publicly with the terrible trauma of becoming half a century old.

I know it's a terrible trauma because I read Dr Brothers and the other menopause experts who are continually quoted in the newspapers, usually on the same page as Ann Landers.

They say a man my age has reached a crisis. I should look back at what I have accomplished in 50 years, and own up realistically to the fact that I'll probably never play second base for the Tigers.

Also, I must decide what I am going to do with my remaining years. As a headline on the Women's Page said last week: "Middle Age: Change or Die ... Grow or Stagnate."

Younger men are eager to take my place and I must learn to adjust gracefully to the inevitable truth that some day someone else will change the ribbon on this typewriter.

To help him accept middle age, a man needs the help of an understanding woman. Possibly his wife. In their book, "Making it from 40 to 50 (Random House, \$8.95), experts Joel and Lois Davitz say the husband needs "her reassurance, her flattery, her total acceptance and encouragement." She must treat him as a "strong, sensitive and powerful man." Yeah.

I was going to buy the Davitz book for my wife, but then I read a succinct review of Dr Brothers' "Better Than Ever" (Simon and Schuster, \$7.95).

And instead I bought his-and-her skip ropes (Kmart, \$2.02).

## Arwood-Anderson Exchange Vows

[Carol D. Wert Photo]

Dana Marie Arwood, daughter of Mr. and Mrs. Aubrey F. Arwood of Grayling, and Steven L. Anderson, son of N. Jean Anderson and Gerald Anderson of Holt, Michigan, exchanged marriage vows Saturday, August 21, at St. Francis Episcopal Church.

Rev. Walter Dawson officiated at the six o'clock ceremony before some 110 guests. Musical selections by James Keighley included "Color My World", "The Wedding Song" and "Sunrise - Sunset".

White carnations and blue daisies adorned the altar along with candelabra. Satin ribbons with white daisies lined the pews.

The bride was given in marriage by her father. She wore a full length gown of white tulle, featuring an A-line skirt, long full sleeves and Chantilly lace trim inserts on the bodice. Her mantilla of silk illusion with Chantilly lace trim was made by her mother and she carried a bouquet of red roses and babies breath with a white gardenia center.

Mrs. Kathy Madsen of Grayling was the matron of honor. Bridesmaids were Cheryl Arwood, sister of the bride, from Grayling, and Lynn Anderson of Holt, sister of the groom. They all wore powder blue floor length gowns and carried bouquets of white carnations and blue daisies with babies breath. Barry Carter of Lansing served as best man. Groomsmen were Jerry Anderson, brother of the groom, from Holt, and Kim Currier, cousin of the groom, from Lansing. Ushers were Joel Arwood, brother of the bride, from Grayling, and Todd Anderson, brother of the groom, from Lansing.

A reception followed at the American Legion Hall, with a luncheon being served followed by dancing. The hall was decorated in keeping with the bride's color scheme of blue and white.

Following a week's honeymoon trip to Washington, D. C., the newlyweds will be making their home at 808 Park St.

For her daughter's wedding, Mrs. Arwood chose a pale lavender knit two-piece floor

## Editor's Mailbox

August 27, 1976

The Editor  
Crawford Co. Avalanche  
Grayling, Mich. 49738  
Dear Whitey:

I was surprised to see an anonymous Lake Margrethe "cottage" writing to The Avalanche in the Aug. 26 issue to recommend dropping the Sheriff's Water Patrol at the lake.

It is my impression that most lake property owners consider the Water Patrol a benefit, not a source of harassment, and wish that it could operate with even greater frequency than it does.

The complaint from the "cottage" that houseguests and children were stopped too frequently by the Water Patrol could be interpreted as indicating that the Water Patrol should be praised, not condemned, for being thorough, courteous, and concerned about the safety of persons and property.

After all, a "highly visible presence" is one of the textbook goals of effective police patrolling, for its deterrence value, whether on water or land.

I think the Water Patrol deserves appreciation and support when it displays diligence.

Sincerely,  
Andrew F. Wilson  
Lake Margrethe Property Owner

To the Editor of the Crawford County Avalanche:

Several weeks ago on my way back to West Branch from a vacation in the U.P. my car stopped about four miles outside of Grayling. As I stood by the expressway looking completely helpless, a young man in a truck came to my rescue. On his C.B. radio he called for a wrecker and then waited with me for it to come.

I didn't get the young man's name and in my confusion probably didn't thank him as I should. However he'll never know how much I appreciated his kindness.

A number of other C.B.'ers heard his call and pulled up to ask if any other help was needed. Many, many thanks to the great brotherhood of the C.B.'ers and especially the young chap who took the time to help me!

Sincerely,  
Mrs. Art Morrison

It is a little embarrassing when people call me and ask if we have an agricultural agent in the Crawford and Roscommon area. I have to tell them, "I am it". I was an agricultural agent before I became a natural resource agent. Therefore, I can help you with your farming questions about growing crops and animals.

You know I have been working with people in both counties on vegetable gardens. For those who want soil tested, you can bring the samples to me. I will send them to Lake City or Michigan State University for testing. I will make the lime and fertilizer recommendations for you. Our phone number is Roscommon, 275-5043.

# County Board of Commissioners

Regular meeting of the Crawford County Board of Commissioners held in the Court House in the City of Grayling on the 9th day of August, 1976.

Meeting called to order by Chairman Kauffman.  
Invocation by Chairman Kauffman.

Roll Call. Kenneth Carlisle, Rolla Failing, Fred Kauffman, Joseph LaGrow, Edward Lowrie—All Present. Patrick Farwood—Absent.

MOTION by Lowrie, second by Carlisle, to approve minutes of the July Session, as presented, Roll Call. All Aye. Carried.

RESOLUTIONS by LaGrow.  
MOTION by Welch, second by Carlisle, that Commissioners Failing and Kauffman be appointed to Health Services Agencies as Health Board representatives from Crawford County, and that Commissioner Lowrie be appointed to Health Services Agencies as Mental Health Board representative from Crawford County. Roll Call. All Aye. Carried.

MOTION by Welch, second by Lowrie, to adopt resolution to oppose House Bill 2444 as submitted by Michigan Association of Boards of Health and Michigan Association of Counties Health Committee, because it would strip counties of any appointment authority for Health Service Agencies personnel. Roll Call. All Aye. Carried.

MOTION by Welch, second by Lowrie, to support resolution submitted by Cheboygan County, which recommends that the local and state governments be allowed the power of decision on location of nuclear waste disposal dumps within the State of Michigan, and further, that extensive environmental impact studies be conducted. Roll Call. All Aye. Carried.

WHEREAS: The Federal Government through the Energy Research and Development Administration has proposed exploratory test drilling in Sec. 30, Wilson Township, Alpena County, Michigan for the purpose of establishing the area's suitability for disposal or storage of highly toxic radio-active nuclear waste material into below surface salt formations, and

WHEREAS: The Federal Authorities have indicated that local governmental units as well as the State Government will have no control or veto power over the proposed project, and

WHEREAS: The placement of these materials into salt formations located immediately adjacent to the largest bodies of fresh water in the world poses a direct threat of contamination and subsequent contamination to large population centers located within the drainage pattern of the Great Lakes Systems extending as far as the Eastern Seaboard and affecting Canada as well as the United States, and

WHEREAS: The long term safety of the project depends on preventing the intrusion of water into the salt beds by any means, which could occur by natural means as well as failure of overlying or underlying shale in ages to come, and

WHEREAS: The waste materials are estimated to remain toxic over a period of 500,000 years thus posing great unknown influencing factors and dangers to which no mortal man can give definite answers, and

WHEREAS: The proposed Michigan site is located in a growing population area where the tourist industry plays an important part in the economy and such industry would be adversely affected by the area being used as a nuclear waste disposal dump, and

WHEREAS: Other options for nuclear waste disposal exist and have not been fully researched and explored and salt bed burial poses too many dangers

THEREFORE BE IT RESOLVED, that it is recommended that the local and State Governments be allowed the power of decision on location within the State of Michigan, further, that extensive environmental impact studies be conducted by the National Academy of Sciences with full disclosure to the citizens of Michigan, who would have the ultimate decision through a referendum election.

MOTION by Welch, second by LaGrow, to support resolution from Bay County which deals with the distribution of Motor Vehicle Highway Funds and the disparity which currently exists in the state's allocation. Roll Call. All Aye. Carried.

WHEREAS: County Road Commissioners throughout the State of Michigan are suffering from the inflationary spiral; coupled with a decline in revenues commensurate with the decline in gasoline purchases; and

WHEREAS: Motor Vehicle Highway Funds (State Highway Department Share) have been diverted to the Mass Transit interests in the amount of \$43,000,000.00 for fiscal years 1976 and 1977 in the form of loans with no visible evidence that repayment can be accomplished; and

WHEREAS: The State of Michigan enjoys a disproportionate share of the Motor Vehicle Highway Funds inasmuch as they receive 44.5% of money with only 8% of the mileage (9,322 miles) compared with 35.7% to the 83 County Road Commissions responsible for 75.9% of the mileage (88,048 miles); and

WHEREAS: We are in sympathy with the needs of the major cities in the Mass Transit area, we are also cognizant of the fact that the cities' survival is even more dependent on the production and delivery of agricultural products of this State's agricultural industry; and

WHEREAS: The neglect of local roads due to the negligence and almost total lack of funding from the Motor Vehicle Highway Fund which is supported by the purchase of motor fuel and license fees by all operators of automobiles and trucks who demand the use of local roads; and

WHEREAS: The present condition of the local road system is causing restrictions and deterioration of equipment to the extent that it works a considerable hardship on the very people who provide the funds to the Motor Vehicle Highway Fund and adds to the cost of agricultural products at the expense of the purchasers, including those in major cities; and

WHEREAS: The necessitated load reductions because of inadequate bridges and other local road conditions have an adverse effect on the attempts at fuel conservation; and

WHEREAS: The diversion of Motor Vehicle Highway Funds to other State agencies, for administration and collection, has been increasing at an alarming rate via the budget process with the approval of the State legislature and these State agencies are exempt from the limitation placed upon County Road Commissions by a declining fund;

NOW, THEREFORE, BE IT RESOLVED, That the counties' share of the Motor Vehicle Highway Funds be increased from 35.7% to 40% with the increase to be allocated to the local Road System;

BE IT FURTHER RESOLVED, That the fuel tax structure be revised from a gallonage basis to a percentage of the wholesale value and the weight tax license fee be revised to a flat rate plus a value added formula.

## CORRESPONDENCE:

1. Department of Natural Resources gave public notice of three applications for river work: (1) DNR to remove beaver dam in South Branch (2) Donald Paddon to construct wood dock and canoe takeout in South Branch (3) James S. Shively to remove silt and plant trees in Frederic.

2. Certificate of No Fault Insurance was reviewed. New cars were added for the Sheriff Department.

3. John Keir advised the Board that the DNR has completed their review of the Pollack Bridge project and found that the hydraulic capacity of the structure is being reduced. Accordingly, the project does not meet the exceptions of the Administrative Rules, and necessary clearances cannot be granted. They suggested that the project be redesigned.

4. Department of State Highways presented a fully executed copy of Dial-A-Ride Transportation Project. They also advised Chairman Kauffman that AuSagra Acres is an ideal location for bus service in every way, to operate a total transportation center from one location. Zoning requirements were discussed, and Commissioners Kauffman and Welch were appointed to work with the City officials in regard to investigation of this matter.

5. State Department of Treasury submitted assessed and state equalized values of the several units in the county, which information was forwarded to township supervisors and city assessors.

6. Dr. Wolfgram, Chairman of District #1 and Tri-County Substance Abuse Advisory Council, informed the Board that Steve Rison has been recommended by the Council to succeed Bob Ruddy, whose term expired in January 1976.

MOTION by LaGrow, second by Lowrie, to accept the appointment of Steve Rison to the Substance Abuse Advisory Council for a one year term. Roll Call. All Aye. Carried.

7. State Department of Treasury audits for 1975 indicated that there were no instances of substantive violation of the Federal Revenue Sharing Act.

8. Three signed copies of Command Unit Contract for Crawford County Sheriff Department were signed and returned. Last page was noted "Void", and an explanation added regarding retirement.

9. Robert A. Hess, Special Attorney for Crawford County, advised that Kirtland College would welcome the opportunity of operating the airport as a fixed base operator if the Army Department would terminate the lease dated 5-16-68 and enter into a new lease with Kirtland Community College. The County of

Crawford, City and Township of Grayling would interpose no objection.

Commissioner Edward Lowrie, Airport Committee Chairman, reported on steps being taken to accomplish the above. There is a time consideration in that Kirtland is concerned with losing their grant, and Mr. Lowrie is confident that all possible is being done.

10. Department of Social Services asked for second quarter fund transfer. The Finance Committee would like a budget. There was excess money at the end of the year and the Department took the option of keeping the money.

MOTION by Welch, second by Lowrie, to table action regarding transfer of second quarter funds until a budget is received, or justification of expenditures and plans for the forthcoming quarter. Roll Call. Welch, Lowrie, Carlisle, Failing, Kauffman, LaGrow—All Aye. Carried.

11. Rodney Parker, Northeast Michigan Council of Governments, advised that the 1975 population of Crawford County is 8,100.

12. Barry McGuire, Michigan Association of Counties, advised county commissioners to take a hard look at local Mental Health programs, particularly improper billings.

MENTAL HEALTH REPORT by Lowrie. If the County is to adopt procedures and regulations of new Community Mental Health programs, Mr. Lowrie must be delegated to hold a public hearing on September 8, 1976 at 3:30 p.m.

MOTION by Failing, second by Carlisle, to adopt the procedures and regulations of the Community Health Board, and to delegate Mr. Lowrie to hold a public hearing on September 8, 1976 at 3:30 p.m. Roll Call. All Aye. Carried.

13. State Office of Juvenile Justice Services advised that the Probate Court and Department of Social Services would be contacted soon regarding the County Child Care Plan and detailed budget for 1976-77.

14. Environmental Review by Granger Engineering Co regarding proposed rehabilitation was presented.

The Clerk of the Board was advised to contact John Cleary, professional legal union bargaining counselor, to appeal the matter of the Drug Lab Secretary's salary and to set up a preliminary hearing, according to action of Crawford County Board of Commissioners taken on June 2, 1976.

Recess for lunch.

Adam Horning met with the Board in regard to Animal Control matters. The Board assured him that it was their duty to investigate to the fullest extent and to come up with recommendations.

Larry Hunter, Equalization Director, met with the Board and presented a copy of the actual dismissal by the Tax Tribunal in the hearing between the Townships and the County. The petition of Grayling Township was dismissed because they were assessing far below 50%.

Roy Rantelus, Zoning Director, met with the Board regarding the Zoning Ordinance of the County.

MOTION by Lowrie, second by Failing, to amend the Crawford County Rural Zoning Ordinance #20-5-71 with Ordinance #20-8-76. Roll Call. All Aye. Carried.

Lora Gould met with the Board and discussed the possibility of a Greyhound Bus Station at AuSagra Acres. The revenue from ticket sales would be applied to Dial-A-Ride funding for the second year. Mrs. Gould will meet with city officials regarding zoning regulations.

Barbara Selesky met with the Board and requested approval of a program for service to the elderly in Crawford County through Title III of the Older Americans Act. She is the owner of Timberview Village at Frederic, and will establish a foster care home.

MOTION by Lowrie, second by Welch, to support Barbara Selesky's request for funding for 40 senior citizens to attend a seminar on alternatives to institutionalizing the elderly. Roll Call. All Aye. Carried.

Bernard Fowler met with the Board in regard to Animal Control matters. Discussion followed, and the Board will follow up with study and recommendations.

FINANCE COMMITTEE REPORT by Lowrie.  
The Committee on Finance respectfully submitted their report, and recommended that the several amounts scheduled be allowed and that the Clerk of this Board be authorized to draw orders on the County Treasurer.

MOTION by Lowrie, second by Failing, to approve and accept the report of the Finance Committee. Roll Call. Lowrie, Failing, Carlisle, Kauffman, LaGrow, Welch—All Aye. Carried.

MOTION by Welch, second by LaGrow, to approve travel vouchers of the road commissioners in the amount of \$380.63. Roll Call. Welch, LaGrow, Carlisle, Failing, Kauffman, Lowrie—All Aye. Carried.

MOTION by Lowrie, second by LaGrow, to authorize Level II Appraiser pay increase for Tom Wolfe, as per notice that he passed the examination. Roll Call. Lowrie, LaGrow, Carlisle, Failing, Kauffman—All Aye. Welch—Absent Temporarily. Carried.

Reports of departmental expenditure control, also amended budgets for 1976, were distributed to each Board member for examination.

PERSONNEL COMMITTEE REPORT by Lowrie. CETA Title II slots have all been filled. An Assistant Maintenance man will be interviewed.

PARKS COMMISSION REPORT by Kauffman. Meeting scheduled for August 12 has been changed to August 19, 1976 at 1:30 p.m. ... A liaison man to work with the Bank for the National Guard (Joseph V. Wakeley) has been appointed.

BUILDING COMMITTEE REPORT by Failing. Signs in the parking lot are placed, but there is no cable as yet ... The Committee is checking the vacant rooms in the basement of the County Building for possible office use.

Second District of Michigan Association of Counties held their quarterly meeting at Holiday Inn. The program was on grants, and 76 people attended. The annual meeting will be held at Mackinac Island. Commissioners Lowrie, Welch and Kauffman will attend.

ROADS AND BRIDGES COMMITTEE REPORT by Welch. All bridges in the county are being painted.

PLANNING COMMISSION AND OEDP REPORT by Lowrie. Sewage disposal for Beaver Creek, Markey, and other townships was discussed. All townships concur on the need for examination of the problem. Mr. Steinhoff, of NEMCOG, supported the general idea of that study ... Priorities are being set up for fire halls, libraries, drainage projects, storm sewers in the County, in anticipation of a public works bill for federal funding. OEDP reports from each subcommittee will be put in narrative form for future use.

LAW ENFORCEMENT COMMITTEE REPORT by Welch.  
Youth Officer answered 47 complaints and sent 20 young people to Michigan National Guard training ... The Walser vs National Guard case has been resolved ... Manpower funding for the Drug Lab will be depleted prior to September. Possibilities for funding were discussed ... One deputy, charged with a felony, will be replaced by a seasonal employee ... 3,332 miles were driven, including Marine patrol, 687 man hours were spent on water safety.

MOTION by Welch, second by Carlisle, to appoint Rita Sarraut to the Crawford County Library Board to fill the unexpired term of Mary Pettengill, which ends November 1978, also to reappoint Mary Wakeley and Ruth Caid for 5 year terms ending April 1981. Roll Call. All Aye. Carried.

Commissioner Lowrie brought up the matter of the County Ordinance for the HUD Grant, which was to be approved by Prosecuting Attorney John B. Huss.

The bills of the several commissioners were allowed at this time:

Kenneth R. Carlisle	90.00
Rolla Failing	355.93
Fred Kauffman	442.70
Joseph A. LaGrow	40.00
Edward Lowrie	314.20
Dean Welch	65.40

Chairman recessed the meeting, subject to call of the Chairman.

Fred Kauffman, Chairman  
Leo F. Lowrie, Clerk

### SYMBOL OF NOBILITY

The bald eagle, a noble bird, emblem of America. And yet it was not the choice of Benjamin Franklin, one of our wisest patriots. To emphasize the differences between the world's first democracy and the warlike, aristocratic powers of Europe, Franklin chose the docile turkey, so common to America—instead of a bird of prey to symbolize the United States. But the eagle, long a sign of courage, freedom and power, caught the fancy of Franklin's fellow patriots gathered at Philadelphia in 1787. To them "noble" meant more than hereditary rank. Noble also meant "admirable in conception, stately"—all qualities epitomizing the democratic experiment called the United States. And to this day the United States strives to retain that noble character symbolized by its emblem, embodied by its spiritual heritage.

### Bits O' Talk

by Fay Bovee

Please telephone or drop off your "Bits" to Loretta or Helen at the Avalanche office during the day. Or phone them to me at 348-7017 after 5 p.m. and on weekends. Until October 1st I won't have time to call anyone, so please call me.

Sister Frances and Sister Chrysostom of the pastoral ministry at St. Mary's have recently returned from their summer graduate studies at Loyola University in Chicago. They are very happy to be back in Grayling. Both of them are working on their Master's Degree in Religious Education.

Mr. and Mrs. Carl Denham of Hemet, Cal., Mr. and Mrs. Bob Woods and daughters, Sharon and Dianne, of Roseville, and Miss Gail Woods of St. Clair, spent the weekend before last as guests of Mr. and Mrs. Gordon Pond.

Miss Dana Bovee of U of M is spending this week with her parents.

As the end of summer nears, some of the flower beds are showing their brightest colors. The petunias at Jansen's Plumbing make a colorful spot along the I-75 business loop. Off on State St. we find petunias at Carr's Canoe Livery, Carlisle's and Penrod's. The Jolly Redskin planter is ablaze with yellow marigolds. Just out-of-town we understand the Bob McCurdy's have a yardful of blooms.

Miss Nellie Loss of Flint was a guest of her niece, Mrs. Don Gothro, for 8 days arriving on Aug. 18. Joan entertained at a luncheon in her honor on Wed., August 25. Miss Loss returned to Flint with the Harvey Rowlands who were enroute to Goderich, Ont., to visit their daughter and husband, Mr. and Mrs. James Bentley.

Mr. and Mrs. Robert Clayton of Leslie came on Aug. 18 so that Mary Ann could celebrate her birthday on the 19th with her niece, Kristin Mary Welch, daughter of Mr. and Mrs. Aubrey Welch, who was two on the same day. Mrs. Gothro hosted the family birthday dinner.

For those wishing to send a card to Mrs. Frank Dond, her address is Munson Medical Center, Room 151 B, Traverse City. Alice underwent hip surgery on Monday.

Pictured here is a 22 lb. Chinook Salmon taken Saturday, August 28th off Oscoda by Melvin Luckstad of Grayling while trolling off shore with me. I made the trip Saturday to see first hand how the Salmon were doing. Although we ended up trolling about 4 or 5 miles off shore I saw some good catches of Salmon come from the breakwater, so with these cold nights they should move in fast. We saw several good catches during the course of the day. Most fish were taken on spoons with no flasher's or dodgers trolled from 30 to 45 feet deep.

Most people fishing on the breakwater were using little cleo's.

Rumor has it that the Coho Salmon showed up in Traverse Bay last week. I will try to check on that this week.

On the local scene the trout fishermen did quite well on green worms and skunks with the brook trout fishermen being very happy. Not too many lake fishermen this weekend because of the cold and wind.

Remember the forest fire danger is very high and if we don't get some rain it will get worse with the fall coming on. So please be careful.

"GLEN'S MEANS SERVICE IN THE NORTH"

By Gordon G. Beld

The poems of Col. Arent Schuyler de Peyster, though perhaps not the best, were at least among the first to be written in the Old Northwest. De Peyster, who was a soldier first and a poet second, found relaxation during his off-duty hours by composing rhymes about his acquaintances and surroundings at Michilimackinac and at Detroit during the Revolutionary War.

Though he probably had plenty of excitement in his service as commanding officer at these two strategic British posts and elsewhere during his long military career, one of de Peyster's greatest thrills — considering his bent for things poetic — must have been one that occurred after his retirement from the army. That was at Dumfries, Scotland, in 1795 when the colonel agreed to serve as major commandant of the First Company of the Dumfries Volunteers, a home guard unit. Among the members of his company was Robert Burns, the poet who became one of the best known Scots.

The colonel and his famous subordinate had carried on a poetic controversy for a time on the pages of their local newspaper, the Dumfries Journal, but they were friends. One of the last of Burns' poetical compositions, "Poem on Life," was addressed to de Peyster in response to his inquiry concerning the health of the Scottish bard. That poem, written in 1796, the year of Burns' death at the age of 37, begins: "My honor'd Colonel, deep I feel your interest in the Poet's weal; Ah! know sma' heart has I to steel the steep Parnassus,

Surrounded thus by bolus pill, And potion glasses . . . De Peyster, who also died at Dumfries, was 96 at the time of his death in 1832. He had enlisted in the Eighth or King's Regiment of Foot in 1755 and served in various parts of North America under his uncle, Col. Peter Schuyler. He was named commandant and lieutenant governor at Michilimackinac (now Mackinaw City, Michigan) in 1774. De Peyster served at Detroit for a part of 1776 and then in 1779, after Lt. Gov. Henry Hamilton of that post was captured by George Rogers Clark at Vincennes, he was transferred to Detroit and remained in command there until 1784.

Many of the poems that de Peyster wrote at Michilimackinac and at Detroit were published after he returned to Scotland in a volume entitled "Miscellanies by an Officer." The subject matter of some of de Peyster's poems was of an obvious military nature. These include "The Drill Sergeant," written after a force from Detroit captured an important post at the Cedars, about 50 miles southwest of Montreal, in 1776. In the concluding stanza de Peyster wrote: "We beat them at the Cedars, With those we call our light men Who, that same day, Heard Yankees say They never saw such tight men. Here and there, Everywhere. That the Kings boys may be found, Fight and die! Be the cry Ere in battle to give ground." Others, such as this one with the lengthy title "To a Beautiful Young Lady Who Had on One of Those Abominable Straw Caps or Bonnets in the Form of a Bee-hive," were quite romantic:

"While you persist that cap to wear,

Miss, let a friend contrive

So that the bees, when swarming near,

Shan't take it for a hive.

"For lest you some precaution take,

I'll be in constant dread

That, through a mouth so sweet, they'd make

A lodgement in your head.

"Where such loud buzzing they would keep,

And so distract your brain,

That you'd not get one wink of sleep

Till they buzzed out again.

"Wherefore, to disappoint the bees,

What I'd advise is this:

Close your sweet lips, when, if you please,

I'll seal them with a kiss."

Then, there were those that reflected the conflict of interests between the civilian and military elements of the posts that de Peyster commanded.

One of these was entitled "The Ghost of Old Cocosh (a Pig Shot by the Guard in the King's Naval Yard at Detroit."

"Beware of a politician who refuses to answer some questions on the grounds that they will eliminate him."

## Road Commission Minutes

August 20, 1976

A regular meeting of the Board of Crawford County Road Commissioners held in their office in Grayling, Chairman Johnson presiding. Members present, Commissioners Harold T. Johnson, R. LeRoy Millikin and Ervin E. Richter and Engineer Manager John M. Keir, absent, Secretary Florence S. Douglas.

The minutes of the last regular and special meetings were read. A motion was made by Comm. Richter, supported by Comm. Millikin that the minutes be approved as read. All voted in favor, motion carried. Voucher No. 496 covering payroll No. 17 in the amount of \$18,121.00 and Vouchers No. 497 to 525 covering materials in the amount of \$12,987.54 were presented for approval. A motion was made by Comm. Millikin, supported by Comm. Richter that vouchers No. 496 to 525 be approved and warrants drawn in their respective amounts. All voted in favor, motion carried.

Applications were received from Michigan Consolidated Gas Company for permits to: 1. Install approximately 405 feet of gas main on Robin Hood Lane, Grayling Township, and 2. To install approximately 420 feet of gas main on W. Legner Trail, Grayling Township. The permits were approved and signed by the Commissioners.

The Board reviewed the advertisement for completion of roads in the plats of "Twin Peaks No. 1" and "UppNorth No. 3". Advertisement will be published in the Michigan Contractor and Builders and in the Crawford County Avalanche.

Fred Kauffman, Chairman of the County Board of Commissioners, appeared before the Board in regard to the right of way fence at the Wakley Bridge. This work was completed and signed August 19th.

The Commissioners and Engr. Mgr. Keir made a trip of inspection over roads in Beaver Creek. Upon returning to their office a motion was made and supported to adjourn. All voted in favor, motion carried, meeting adjourned.

### Lots of Record

(Continued from page 1)

Township Board shall provide in any zoning ordinance for the completion, restoration, reconstruction, extension or substitution of nonconforming uses upon such reasonable terms as may be set forth in the zoning ordinance.

In other words the "Development Rights" of "Lots of Record" must be preserved and protected just like any other "Legal" piece of property.

The only possible refusal by a municipality of any "Lot of Record" would have to be for the same reason(s) any legally constituted piece of property would also be refused. Basically, the reason for refusing any property the right of development is where the potential results from such development would create a health, safety or general welfare condition that would not be in the public interest. Any such condition must be spelled out in health, safety or general welfare regulations that apply to all properties equally.

Lots and parcels not legally recorded prior to the effective date of a zoning ordinance, and any lots, lot splits, parcels, metes and bounds defined parcels or any other subdivision of land that are created subsequent to the effective date of a zoning ordinance, cannot be considered as legally constituted parcels or lots, unless they meet all zoning specifications and standards as well as all other legal requirements.

It should be kept in mind that "Lots of Record" are kept legal by the language of section 16 mentioned above. In no way can this state law be changed or abridged by a Township Board, Planning Commission, Zoning Board, Zoning Board of Appeals or any other agency or official except in general conformance with the ways and means expressed earlier in this article.

Lots of Record are unfortunate happenstances of changes in development requirements so often found in zoning and rezoning procedures. It is difficult to correct all of the "ills" of the past; so judicious - fair and equitable - treatment is still the basic consideration of them when they, somewhat belatedly from the date they were legally created, now want to be developed.

Mr. and Mrs. Alfred Roberts of Grayling announce the arrival of a son, Michael Andrew, on August 29, weighing 8 lbs. 1 1/2 ozs.

### Attend Childbirth Workshop

This week several District Health Department #1 nurses, Mercy Hospital obstetrical nurses, accompanied by Dr. Waggoner, Obstetrician - Gynecologist, attended a workshop at the Mott Children's Center in Flint. The workshop was an opportunity to update techniques used in preparation for childbirth classes and will serve as a foundation for the new expectant parents classes to begin in September at the Health Department.

Topics discussed were the role of the father as "coach" during labor and delivery, fetal monitoring, nutrition and exercises for relaxation during pregnancy and for use during delivery.

Mrs. Dennis, coordinator for the Mott Children's Center, led the discussion, while Mrs. Thomas demonstrated the exercising procedures. Workshop participants took part in the exercises thus being better qualified to teach the techniques.

Preparation for childbirth has become a family affair and great interest has been shown by area couples for a comprehensive program in childbirth preparation.

Interested persons may call the Health Department for information regarding times and dates of classes.

The workshop participants included: Ann Liddle, RN; Mary Walker, RN; Reba Reynolds, RN; Myrtle McPhail, RN; Shirley Clark, RN; Dr. Waggoner; Julie Coon, RN; Regina Fwaldt, RN; Beverly Thompson, RN; and Beverly Waggoner, Health Educator.

## "Ask the Expert" Day Held at Northern Counties Association Meeting Here

At the regular meeting of the Michigan Northern Counties Association (MNCA) held on August 26th in Grayling, representatives present from 26 counties had the opportunity to "question the experts." Senators Robert W. Davis (Rep., 37th District), John F. Toepf (Rep., 38th District), and Robert D. Young (Rep., 35th District) were on hand for a general question and answer session.

Topics of greatest concern were those regarding taxation (property, income and the possible restoration of the sales tax), open meetings, political and welfare reform, and education. Also active in the discussion period were representatives Connie Binsfeld (Rep., 104th District) and Ralph Ostling (Rep., 103rd District).

Jim Callahan, Michigan Association of Counties Legislative Director presented expertise in answering the many questions directed towards the panel.

It was stated that political reform, transportation in southeast Michigan, open meetings and juvenile crime were those items most likely to be considered when the legislature reconvenes in Lansing on September 13th.

Of special interest to MNCA members was the explanation given regarding the interpretation of bills once they become laws. Basically sound and feasible legislation is often lost in the final interpretation and little can be done towards correction.

MNCA members were urged to write letters and inform their various representatives in Lansing.

sing of local viewpoints. Letters, especially those giving specific reasons for the support or disagreement of a proposal are most helpful in the decision-making process and are taken into consideration by those representatives receiving them.

A request to the association for information about their efforts and achievements was also made. It was felt that the Michigan Northern Counties Association should provide each and every Senator and Representative in the state with copies of resolutions and policy procedures.

Rodney Parker, Executive Director of the Northeast Michigan Council of Governments (NEMCOG) presented the Title I Program of the Public Works Act in brief. He presented copies of the guidelines for local public works capital development and investment programs.

Because of the response to the day's meeting, a request to keep an open invitation to all Senators and Representatives to attend any Michigan Northern Counties Assn. meeting was made. The information and viewpoints given were of value to all members in attendance. The next meeting of the Michigan Northern Counties Assn. will be a joint session with the Michigan Association of Counties on September 23rd in Grayling.

## Being North

BY MICHAEL DELP

This will be the last Being North for a while. Your accolades have been so overwhelming that I thought I would leave you with a few thoughts, which as always, you may take or leave:

1. Small towns are interesting places if you're elderly, middle-aged, or have some money.

2. The longer you stay in a place the more experts spring up about you. The other day I found out a lot about myself that I didn't know.

3. No doubt about it — gossip is the worst element in any community. At least the gossips can't mess up anything important, they're too busy playing narrow games.

4. Grayling needs a storefront school, an innovation

### Bits O' Talk

by Fay Bovee

Mr. and Mrs. George Granger attended an engagement reception in Cadillac on August 28 at the home of his son, Mr. and Mrs. George A. Granger, Jr. The reception was in honor of their daughter, Lorri Sue, and her fiancé, Dirk R. Pletting, of Beverwijk, the Netherlands. Lorri was a 13th year YFU exchange student and spent the last year in the Netherlands. She arrived home in Cadillac in late July and Dirk arrived August 15. They will return to the Netherlands to be married in October and will make their home there. While they were in Cadillac, George and Anna saw George's second great-granddaughter, Maryalice, who was born recently to Chris and Karen Morris. The former Karen Granger is the daughter of Mr. and Mrs. James Granger of Sault Ste. Marie. George and Anna were guests of the Stanley Stephan's overnight on Saturday.

which has proven successful in other communities. Kids who couldn't hack school for one reason or another could come in on their own time, preferably at night and pick up a little self confidence and a few of the basics. The program could be run entirely with volunteers, using volunteer time and volunteer dollars in a donated location. You won't solve any drug problems, or any crime problems in the courts. If you like the idea of a storefront school, let me know and we'll see what we can get going.

5. "There is no adequate defense, except stupidity, against the impact of a new idea." Thank you, Percy Bridgeman.

6. Finally, good people, a "frill" is a fleet of B-1 Bombers, or a National Defense Department Budget in excess of a hundred billion dollars.

Thanks to the following: 1,454 people, and the old english teacher I don who once taught me that Don Quixote wasn't a fool.

Shown above, in various photos, are 65 blind children from throughout the state who were hosted by the National Guard last Sunday. The children were given the opportunity to experience the helicopters by Captain Joseph Meredith; Sergeant first class, David Dunham; and Cadet Keith Bobenmoyer. The children were staying at Camp AuSable, a Seventh Day Adventist Retreat located on Shellenbarger Lake. Although the campers were not allowed to actually ride in the choppers because of insurance liabilities, they spent a good portion of the afternoon experiencing and enjoying the aircraft.

Registration Begins Sept. 7

### Grayling Adult High School Classes to Begin Sept. 13

Adults wishing to complete their high school education may begin classes as early as September 13 at Grayling High School according to Crawford AuSable Community School Director, Howard Taylor. Registration for Adult High School Completion Classes will begin at the Grayling Community School Office at 1:00 p.m. on Tuesday, September 7. The Community School office which is located in the new Grayling High School will be open from 1:00 p.m. until 9:00 p.m. all week to assist area adults in establishing their high school completion program.

Falling into the same time slot are the Grayling Adult Basic Education Classes which are designed to help those adults of the area master the basic skills of reading, writing and basic mathematics. Further information concerning both programs can be obtained by calling the Grayling Community School Office at 348-7641.

It is not necessary for area adults to be a resident of the Crawford AuSable School District to register for Adult High School Completion or Adult Basic Education Classes. Also, all classes of both these programs are offered free of charge. Each class meets for a three hour period, one evening each week. Among the class offerings for Adult High School Completion students are Shorthand, American Short Stories, American Poetry, Kitchen Chemistry, Personnel, Typing, English Essentials, Art, Metric Math, United States History, Journalism, Woods, Blueprints and American Government. Adults who have already completed their high school education may enroll for the Grayling classes by paying a small tuition charge.

### Lansing Report

Rep. Ralph Ostling  
A through C

Michigan voters will have at least three proposals to decide at the polls in November and the State Board of Canvassers is considering a fourth.

The Board of Canvassers has approved ballot issues calling for a ban on non-returnable beverage bottles and cans, lowering of the minimum age for legislators and a measure limiting state spending.

Proposal A, the non-returnable bottle ban, was placed on the ballot by a state-wide petition drive as was Proposal C to limit state spending to 8.3 percent of the total income earned in the state.

Proposal B, which reduced the minimum age for legislators from 21 to 18, got to the ballot by legislative resolution.

The Board of Canvassers, at this writing, are holding open the Proposal D position for a proposal that would remove the ban on a graduated income tax. The petitions submitted to get this proposal on the ballot are undergoing challenge by the Michigan State Chamber of Commerce and other business interests who claim they have already discovered a high error rate on the signatures.

### Bonding

[Continued from page 1] adequate precautions are taken to protect these individual investors.

McCullough said that after the Committee completes its series of seminars it will be in a better position to assess the status of municipal bonding in Michigan and to make any necessary recommendations for improvement.

### Lovells Board To Meet

The Lovells Township Board will be meeting on September 14th at 7:00 p.m. Come one, come all.

### Bits O' Talk

by Fay Boyce

Driving from her AuSable River cabin, "Esta Es La Vida", Eva Jean Smith spent the weekend as a house guest of Mr. and Mrs. Harold Crummer at their cottage on Lake Charlevoix. She also visited the Lee Talboys, the "Bunt" Voughts and Linda and Bill Christensen of Boyne City. These are all old friends since her school-day vacations (from Lansing Sexton High School) spent in Charlevoix and Boyne City when Mr. Vought was its Mayor. At that time, Mrs. Crummer was Nan Vought and Mrs. Smith was Jeannie Rosen. Mrs. Smith enjoyed some delicious Lake Trout at Charlevoix.

On Wednesday, August 25, Walter Tubbs celebrated his 70th birthday. He was honored with a surprise party and dinner by his children and grandchildren from Flint.

The Charles Fick family drove to Detroit Metro Airport last Thursday to pick up their son, Scott, upon his arrival from Santiago, Chile where he spent the summer. A special thrill for the family was the chance to meet Miss Marcela Arancibia, the sister of their exchange student, Gonzalo. She is here to spend a year with a family in Mason City, Iowa through YFU, and accompanied Scott as far as Detroit.

Kathy Johnson began her sophomore year at C.M.U. on Monday. Her parents, Mr. and Mrs. Lyle Johnson, drove her to Mt. Pleasant on Thursday.

Mr. and Mrs. Carl Reynolds and family have returned from a two-month trip to the West Coast. They report having had a wonderful time.

### CARD OF THANKS

We wish to take this way of thanking all our friends and relatives for the beautiful cards, gifts and flowers we received on our 50th Wedding Anniversary. Last, but not least, we want to thank our wonderful family who made this beautiful party something never to be forgotten.
